Re: Air Quality Permit Application received September 23, 2011 (Permit # 6133)

Dear Mr. Hank:

Pima County Department of Environmental Quality (PDEQ) sent an incomplete application letter to DKL Holdings, Inc on October 17, 2011. The response to that letter is due December 16, 2011. Following a telephone conversation with Cornerstone Environmental Group on December 7, 2011, PDEQ writes to extend the submittal of your response for another 30 days to January 17, 2011.

PDEQ has received the modeling protocol for your facility and is in the process of reviewing it for completeness. The department will contact Cornerstone should any questions arise during our review.

If you have any questions please call me at (520) 243-7400.

Sincerely,
